Dear Alicia:

I don't know how to express my sincere gratitude to you and Emily for all you did to make the Elaprase launch meeting the success that it was. I have been involved in product launches before, but did not play a role in the actual meeting planning process. I now know the amount of time and effort that is involved.

Thanks to you and Emily, the meeting went off without a hitch. You made it seem so easy, and took the burden off of me completely so I could focus on other tasks. Your attention to detail was exceptional, and working with you was a complete pleasure!

The feedback we received from the attendees was very positive. Many stated that it was the best launch meeting they ever attended, and as you know, we are dealing with seasoned professionals who have attended many launch meetings. I'll forward the survey responses to you for your information.

Alicia, thanks again for making this meeting a highlight of the Elaprase launch. I look forward to working with you again in the near future.

Sincerely,

A handwritten signature in blue ink that reads "Mike".
